

# Introducing Mopec's *Elite* Line of Autopsy Tables

## CE350 Salisbury Downdraft Autopsy Table

## CE340 Windsor Autopsy Table

**Mopec** The Better Product People

# CE350 Salisbury Dowlndraft Autopsy Table

CE350 shown with the following options:

- Elevation (CO030),
- Deep sink (CO033),
- Electrical outlet (CO032),
- HEPA filtration (CO034).

## Dowlndraft Ventilation

Mopec is proud to offer a unique innovative pedestal style Dowlndraft Autopsy Table. As a standard feature, the dowlndraft ventilation system greatly reduces harmful fumes from the work area. This highly efficient dowlndraft table will make for a safer and more pleasant work environment.

## Unique Airflow Body Grid Plates

The perforated body grid plates are engineered to maximize the dowlndraft airflow. The heavy-duty construction allows for obese bodies.

## Body Spray Hose

The hot and cold water spray hose is conveniently located under the work surface for accessibility. The extra long high pressure hose allows complete rinsing of the table. The spray hose is fabricated of chrome-plated brass along with a single lever mixing valve.

## Table Top

Top is made of 14 gauge stainless steel with a #4 satin finish.

## Weight Capacity

Weight capacity of 50 stones (700 pounds).

# CE340 Windsor Autopsy Table

The Windsor Autopsy table offers a flat creased work surface with no obstructions. The contour raised perimeter edge is designed to divert the fluids to the waste drain. The table top edge is rounded for effortless cleaning and allows easy body placement and removal.

## Body Spray Hose

The hot and cold water spray hose is conveniently located under the work surface for easy accessibility. The extra long high pressure hose allows complete rinsing of the table. The sink spray is fabricated of chrome-plated brass along with a single lever mixing valve.

## Table Top

Top is made of 14 gauge stainless steel with a #4 satin finish.

## Weight Capacity

Weight capacity of 50 stones (700 pounds).

# Available Options

Mopec's new line of *Elite* Autopsy Tables can be manufactured with a variety of options. Each table is built to order allowing you great flexibility on design and functionality. Let the **Mopec Solution** work for you.

**CO030 Elevation** - Electrical mechanism lift allows the table to elevate from 81.28 cm (32") to 101.6 cm (40"). Available on both the CE340 and the CE350.

**BL750 Disposal** - 3/4 HP  
230 volts/50 hz/1ph.  
Disposal does not come with vacuum breaker.

**CO031 Elevation/Rotating** - Allows table to elevate 81.28 cm (32") to 101.6 cm (40") and rotate 180°. Rotation not sold independently of elevation - option includes both. Available on both the CE340 and the CE350.

**CO032 Electrical Outlet** - Watertight G.F.C.I. receptacle box.

**CO033 Deep Sink** - Extra deep sink measuring 50.8 cm length (20") x 30.48 cm wide (12") x 17.78 cm (7") deep. Complete with two (2) each faucets with wristblade handles and aspirator. Aspirator only available if deep sink option is ordered.

**NOTE:** When this option is ordered, the length of the table will increase an extra 25.4 cm (10") in length to 254 cm (100") on both CE340 and CE350.

**CO034 HEPA Filtration** - HEPA Filtration controls dust with fume evacuation. Easy access for filter replacement. Option available for CE350 only.
